

Do YOU like soccer?

Whitehorse United FC is seeking coaches for competitive programs!

Whitehorse United Football Club is the recent merger of Whitehorse Minor and Selects soccer clubs. Formed in the Fall of 2019 WUFC provides recreational and competitive soccer programming to the Whitehorse community.

The Club seeks individuals with a desire to teach the game and ability to facilitate respectful relationships with players, parents, team managers and fellow coaches. Opportunities exist for both primary and assistant coaches in our competitive divisions, male and female, ages U13-U17.

All coaches will be supported by Club staff including the Club Head Coach and will have access to a comprehensive online coaching resource as well as access to periodic training sessions facilitated by the Club and/or Yukon Soccer Association (YSA).

It is not a requirement to have a child registered in WUFC to be a successful coaching applicant. The Club will assist all coaches in obtaining the required RCMP Vulnerable Sector Check.

If you have a passion for soccer and working with youth, we need your help!

For more information or to apply please contact WUFC at wms@sportyukon.com
